

958, rue Main
Ayer's Cliff QC J0B 1C0
Tél. : (819) 838-5006

The Municipality of the Village of Ayer's Cliff is looking for a student to fill the following seasonal position:

Environment Assistant (Green Patrol)

The main role of the Green Patrol is to travel the territory and educate citizens about respecting the environment and the regulations in force.

Although its role is not coercive, the Green Patrol informs the Municipal Inspector when violations are noted.

The Green Patrol also helps develop environmental awareness materials.

The Green Patrol is also present at various environmental awareness events, including Green Day.

This description is not limiting; it contains the main elements to accomplish. The student may be required to perform any other related duties that the Municipality deems to be of his / her skills and abilities.

Requirements and personal qualities

- Be a student attending college or university in a field related to the environment
- Have good knowledge of current environmental issues (water consumption, residual materials management, protection of the riparian strip, etc.)
- Maintain cordial and efficient relations
- Be responsible, independent and diligent
- Hold a valid driver's license
- Being bilingual is an asset

Priority will be given to a student residing in Ayer's Cliff. This summer job will begin in late May and end no later than early September 2019.

Salary and work conditions for this position: To be discussed

Anyone interested and experienced is invited to submit their letter of interest and presentation, as well as their curriculum vitae by e-mail to dg@ayerscliff.ca or by fax at 819-838-4411 or by mail at 958 rue Main, Ayer 's Cliff QC J0B 1C0 **before March 15, 2019.**

This position is open equally to women and men. **Only** those selected for an interview will be contacted.
